

React To Deterioration

Who is this course aimed at?

This course is aimed at people who work in care that are looking for information and training about frailty, Advance Care Planning, 'soft signs' of deterioration and ways to improve communication using the SBARD communication tool

Course Aims

To recognise and manage deterioration of residents in the care home.

Learning Outcomes

- Frailty: understanding what it is, combined with how it can be managed
- Advance Care Planning: focusing on what matters to the resident
- Recognising early 'soft signs' of deterioration
- Ways to improve communication to ensure residents get the right help in a timely manner by using the SBARD communication tool

Course available as

E-Learning

Course Length: 25 Mins
